General Information

1. When is the application available for Sigma Delta Tau Foundation scholarships?

The 2026 *Sigma Delta Tau Foundation National Scholarship* program opens January 9, 2026, and remains open until midnight EST on March 31, 2026.

2. How do I apply?

The application can be accessed only when the portal is open. Visit the Scholarship webpage for more information and to access the online application. If you are a first-time user, you will be prompted to create an account.

3. What if I applied last year using SmarterSelect and don't remember if I have an account?

Previous users can log in with the email they used to create their personal account. Click the "Forgot Password" link if you do not remember your original password.

4. What criteria is used for selection?

Financial needs based and merit-based awards are available. Reviewer scores are a combination of factors, including academic merit, participation in SDT, and campus and community service involvement. Special consideration, including financial need evaluation, is given to sisters who align with criteria for specific awards.

5. Who selects the recipients?

The evaluation of all candidates is done by members of the Sigma Delta Tau Foundation Scholarship Committee using established guidelines and scoring rubrics with review by the Foundation Scholarship Chair and Foundation Executive Director.

6. How many scholarships are awarded each year?

The total awards and scholarship amounts vary from year to year.

Eligibility

1. Who can apply?

Scholarships are available to all initiated members of Sigma Delta Tau who are full time

students in a college degree program. Undergraduates must be members in good standing for at least one academic year, initiated in spring 2025 or before. Postgraduate/Alumna applicants must have been in good standing as undergraduates. Sisters who have already received two SDT Foundation scholarships are ineligible.

2. I was just initiated last spring (2025). Am I eligible to apply?

Yes, you are eligible to apply because the scholarship awards cycle ends July 1, 2026, allowing you to meet the one academic year of SDT membership requirement.

3. Can I reapply if I was unsuccessful in the past?

Yes, of course! The number of applicants and competition vary from year to year, and you may qualify in the new cycle.

4. Can I apply if I have already been awarded a scholarship?

Yes, you can receive up to two scholarships from the SDT Foundation.

5. I am a member of a chapter that has a scholarship and/or am studying in a field that has a specific scholarship. Should I apply for a specific scholarship?

You will be considered for all scholarships for which you qualify. We have had multiple winners from the same chapter in which only one candidate received the chapter scholarship, but the other applicants of the same chapter received other scholarships.

6. I am currently an undergraduate but plan to attend graduate school next year. Which application should I use?

Submit the Postgraduate/Alumna application. We will confirm enrollment as part of the scholarship award confirmation.

7. Can I apply for a Postgraduate/Alumna scholarship if I do not know the school I am going to attend?

Yes! Just list the schools you have applied to. If awarded a scholarship, you will be asked to submit your acceptance letter and proof of registration in July.

8. Which application should I use if I am not graduating in four years?

If you have not yet received your undergraduate degree, use the Undergraduate application.

9. Is there a minimum GPA to apply?

Yes, the minimum cumulative GPA is 2.5 on a 4.0 scale. Your academic record and any honors received will be reviewed during the evaluation process.

10. Can I use the Sigma Delta Tau Foundation scholarship to cover membership dues and chapter fees?

No. Scholarships can only be used to support educational expenses, including tuition, course related fees, textbooks, and other materials required for course enrollment. Scholarships cannot be applied towards room and board. As a 501(c)3 nonprofit, the SDT Foundation cannot support social expenses, such as membership dues and chapter assessments.

11. Will all applicants receive an award?

Unfortunately, we are unable to award a scholarship to each deserving candidate. You may reapply next year.
